

# ARE YOU STILL USING PLYWOOD? WHY NOT TRY **LION FLOOR™**

No risk of core gaps,  
delamination or  
veneer overlaps

Oil Tempered for extra protection  
and impact resistance

Pre-conditioned engineered  
boards are stable and easy  
to fix and lay

Ideal fabricated underlay for  
resilient flooring, conforming  
to BS 8203:2017 and CFA requirements
