LION HD PANEL™

The UK's Best Selling Hardboard

LION HD Panel™ has a white painted surface, which gives the space a clean, bright, and roomy look. LION HD Panel™ is highly suitable for the internal lining of agricultural buildings, hoardings, shopfitting, site protection and general building work.

For improved moisture resistance of the boards, they have been oil-tempered and all boards are edged sealed on all 4 sides. LION HD Panel™ is available in an unlimited selection of plain colours, subject to quantity.
